What do you express or say?

Thinks

What might be going on in your mind?

"I love watching Globe because it takes me on virtual adventures around the world."

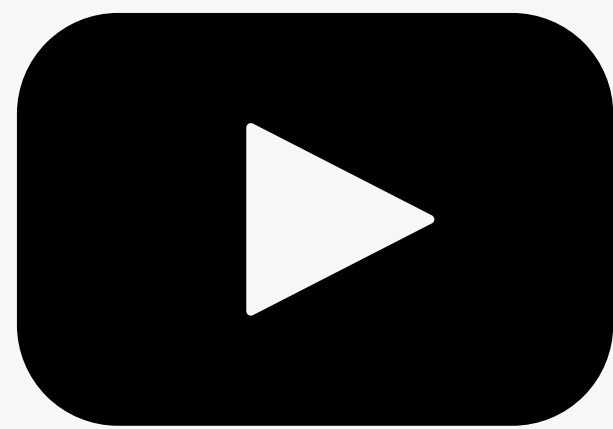

"I wonder how they manage to capture such stunning footage."

"I'd like to see more behind-the-scenes content to understand their process."

May express frustration if can't find information easily.

"I'm always excited to see what new content they release each week."

"I hope they continue to provide high-quality, informative content."
